Introduction

Thomas Paine wrote that the “law is King” in America in his political pamphlet *Common Sense* published in 1776. His words were true at the founding of our nation and are still true today. The proper functioning of Government depends on the proper application of the rule of law, not the rule of man. Thus, it is necessary for a Government to enact laws to ensure the proper functioning of a Government and to provide a bulwark against confusion and arbitrary decision making by its leaders. A codification of these laws in an easy to read medium ensures that all participants in and constituents of an organization can readily hold their leaders accountable and assert their rights under the law. The 61st Session of the Student Senate has provided such a codification when it created the Student Government Association Code (S.G.A.C.) on March 11th, 2009.

This April 2015 Edition of the S.G.A.C. is part of the fifth edition of the code. It sets in place a structure for all the various governing documents that regulate the operations and structure of the Student Government Association (SGA) and its service to the Student Body at large. Since October 15th, 1947, the Student Government Association has served to serve as the representative voice of the students of Texas A&M, and this code helps harness that voice to its full potential.

The S.G.A.C is presented on the following pages in an easy to read and structured format. For ease of use of the code, a table of contents is provided on the previous page to guide the reader to the appropriate classification of a document. Questions of procedure may be narrowed to a specific document based on whether the issue applies to a branch of Government, committee, or commission (Bylaws) or a law enacted by the Student Senate (Acts/Statutes). The constitution, as in all other forms of Government, is the supreme law of the land, and its provisions pre-empt all other documents included within this code. These documents are presented then in a flowing format with the constitution first, Bylaws second, and Statutes third in relative order of precedence, minus Title I, which is a Statute organizing the Code as a whole. Specific questions on precedence may be addressed to the Rules and Regulations Chair of the Student Senate at any time, as this individual is primarily responsible for the maintenance of this code pursuant to I S.G.A.C. §001.5(1).

Citing the Student Government Association Code: Recommended Methods

Long Form – The specific location of a rule may be listed followed by the long title of the document in which it is located. For example: Article I, Section II of the constitution or Article III, Section II, of the Election Regulations.

Short Form – This format is highly recommended for use in court documents or when referencing provisions of the code in Senate legislation or Executive/Judicial Orders. The title within which a specific rule is located under followed by the short form of the Code and the annotated reference of the specific section of the rule in question in the following manner:

- (1) The Title's roman numeral, *space*
- (2) S.G.A.C., *space*
- (3) The section symbol (§), *no space*
- (4) The three digit Chapter number, *a period*
- (5) The article number in digit form, *parenthesis*
- (6) The section number in digit form, *a space*
- (7) Any other sub-section or other classification with *no space* separating.

For complex cites, use Example 6/7. Ignore bolding in examples.

Example 1: Article I, Section II of the constitution
II S.G.A.C. §001.1(2).

Example 2: Article IV, Section III, Sub-Section (a), Number (1) of the Election Regulations.
V S.G.A.C. §101.4(3) (a)(1).

Example 3: Article IV, Section II, Sub-Sections (a)-(d) of the Senate Bylaws.
III S.G.A.C. §001.4(2) (a-d).

Example 4: Article V, Sections III-V of the Judicial Branch Bylaws.
III S.G.A.C. §003.5(3-5).

Example 5: Article V, Sections II and IV of the SGA Allocations Regulations Act.
V S.G.A.C. §201.5(2,4).

Example 6: Article V, Section I and Article VI, Section II, Sub-Section (a) of the constitution. (*note the comma*)
II S.G.A.C. §001.5(1), §001.6(2) (a).

Example 7: Article V of the constitution and the Senate Bylaws as one cohesive document. (*note the semi-colon*)
II S.G.A.C. §001.5; III S.G.A.C. §001.

If you are searching for a particular document, it is recommended you utilize the Table of Contents on page vii. The code in its current format does not have an index of topics. If you should have any questions about a particular rule, you may consult with the Rules and Regulations Chair of the Student Senate, the Chief Justice of the Judicial Court, or another member of any branch of Government whom is knowledgeable of or assigned to interpret rules. Finally you may also consult the legislative history of all bills passed by the Senate that impacted the code in the previous session for recent changes. These changes that took place during the 65th Session of the Student Senate are noted below each chapter title listing amendments, including amendments from previous sessions of the Senate since March 11th, 2009 with the S.G.A.C. was created.

The Student Government Association Code is published on a monthly basis in electronic and physical form within the SGA office should it be amended during a particular calendar month at the discretion of the Rules and Regulations Chair. Should no amendment occur, the code will at least be updated on a yearly basis into a bound copy that is distributed to the Student Government Association Advisor and other officials during the Summer to maintain a reference copy. Funds for the creation of this code come from the budget of the Student Senate via SSFAB allocations or donations.

In closing, the rules enclosed in this code are not law in the same manner of which State Law or Federal Law governs citizens of the United States or any sub-division of Government. They only apply to the procedures and operations of the Student Government Association and when any individual student, administrator, or member of the general public, interacts with that organization. The binding power thus, of these regulations is very limited only to that scope. However, the creation of, execution of, and interpretation of the laws of this code follow the same general format of any republican Government in that the legislative branch (The Student Senate) creates laws (Acts/Statutes), the executive branch (The Student Body President) enforces those laws, and the judicial branch (The Judicial Court) interprets their enforcement and constitutionality in line with the constitution of the Student Government Association.

- (c) If the Speaker of the Senate is unable to fulfill the duties of office, or upon his removal or resignation from office, the Speaker Pro-Tempore shall fulfill those duties until a new Speaker can be elected from the Student Senate membership present and voting at an announced meeting. In the absence of the Speaker Pro-Tempore, such duties shall fall to the Chair of Rules and Regulations and then to the remaining officers of the Senate provided for in the Student Senate Bylaws in an order provided for in the Student Senate Bylaws.
- (d) The term of each session of the Student Senate shall begin and end during a final general assembly meeting during the last fourteen (14) days of the spring academic semester every calendar year. The incoming Student Senate shall not begin its session until the outgoing Student Senate adjourns at the final called general assembly meeting. Upon the adjournment of the outgoing Student Senate, the incoming Student Senate shall be transferred all duties and powers vested in the Student Senate under this constitution, unless otherwise provided for in this constitution. The incoming Student Senate may, however, after its election, meet in called general assembly meetings prior to the beginning of its session to conduct its officer elections, handle its internal business under the existing Student Senate Bylaws, appoint senators to and assign legislation to committees, and confirm appointments by the incoming Student Body President.
 - (1) The power of confirmation of Student Body President appointments shall vest immediately to the incoming Student Senate upon its election. - (e) The right to vote in a general assembly meeting, special session, or committee meeting affecting bills or resolutions, to sponsor bills and resolutions, to debate in a general assembly meeting or special session, and to make motions in a general assembly meeting or special session shall only extend to Student Senators.  - (2) Codification. All statutes may either be codified into a common Student Government Association Code or may be uncoded.

Codified Statutes. Statutes may be codified, but only if the bill or the referendum petition enacting the statute expressly states which portion of the Student Government Association Code is amended, repealed, or created by the statute.

Codified statutes shall not expire unless a provision within the statute provides for its expiration, it is repealed or superseded by a subsequently codified statute, or it is ruled unconstitutional by the Judicial Court in a case.
 - (3) Uncoded Statutes. All other statutes shall automatically expire at the conclusion of each corresponding session of the Student Senate.

Uncoded statutes, however, shall not otherwise expire during the corresponding session of the Student Senate unless the statute provides for its expiration, it is repealed or superseded by any subsequent statute, or it is ruled unconstitutional by the Judicial Court in a case.

The Student Senate may, by statute, vest authority in any part of the Legislative Branch or the Executive Branch for maintaining the Student Government Association Code.

- (4) All statutes shall be enacted by bill and a majority vote of the Student Senate membership present and voting at an announced meeting. No bill may enact a combination of a statute, constitutional amendment, or rule or procedure.

 - (1) The Student Senate may also exercise its power of ratification, confirmation of appointments, impeachment, or any other action authorized under the Student Senate Bylaws by resolution, which shall be binding and shall not expire except when the agreement ratified expires, the term of the office confirmed expires, or the action taken by the Student Senate provides for its own expiration.
 - (2) No resolution may exercise more than one power of the Student Senate, except that any resolution may exercise a single power of the Student Senate and enact a non-binding statement of the opinion of the Student Senate.

Such rules and procedures shall not expire unless a provision within the rule or procedure provides for its expiration; it is repealed or superseded by a subsequent rule or procedure adopted by the Student Senate; or it is ruled unconstitutional by the Judicial Court in a case.

- (1) All other rules and procedures relating to the Student Senate or the Legislative branch may only be enacted by statute.

- (h) Overriding the veto of the Student Body President on any statute by a two-thirds (2/3) vote of the membership present and voting at an announced meeting. In the case of a constitutional amendment, a three-fourths (3/4) vote of the Student Senate membership present and voting is needed to override a Student Body President veto. Any vetoed bill shall be automatically placed on the next Student Senate general assembly meeting's agenda and classified as old or unfinished business. The Student Body President shall be granted at least five (5) minutes to explain the reasoning for his veto of any statute or constitutional amendment immediately preceding the Student Senate's consideration of whether to override the Student Body President's veto.
- (i) Special Sessions may be called by the Student Body President, the Speaker of the Senate, or by a petition to the Speaker, signed by one-third (1/3) of the Student Senate membership. Such calls or petitions may only generate announced meetings.

No bill may present both a constitutional amendment and a statute to the student body for a decision.
- (1) Proposed constitutional amendments, if approved of by a two-thirds (2/3) vote of the student body voting in an announced student body wide election, shall be binding as if passed by the Student Senate and signed by the Student Body President.
- Such constitutional amendments may not be repealed or amended by the Student Senate until at least one (1) calendar year after the referendum enacting the constitutional amendment, unless the repeal or amendment occurs through any later referendum.
- (2) Nothing in this Sub-Section shall be construed as allowing the Student Body President to veto any bill calling for a referendum of the student body on any proposed statute or constitutional amendment.

Such a motion shall require a one-third plus one ($1/3 + 1$) second and a two-thirds ($2/3$) vote to pass if it is made during the same general assembly meeting as passage of the related motion to censure.

- (1) The motion shall move the Senate into executive session upon receipt of the required second until the motion is completed.

(m) RIGHTS RETAINED TO INDIVIDUALS. Nothing in this Section shall be construed as to prohibit any censured individual from attending any Senate committee meeting, assembly meeting, or event, being counted presented at such a meeting or event. Nothing in this Section shall also be construed in the case of a censured Student Senator as prohibiting the Senator from authoring or sponsoring legislation or voting after the punishment period has elapsed. Any individual censured by the Senate shall retain his or her office.

The Senator who files the petition and any petition signers who wish to join him shall be considered the accusing party during the impeachment trial.

The impeachment trial shall be added to the agenda of the next general meeting of the Senate after the receipt of the petition, unless that meeting takes place less than seventy-two (72) hours after the vote of the Committee, in which case it shall be added to the following meeting's agenda. Every effort must be made to inform the Official of his impending trial immediately after receipt of the petition.

All presentations, question and answer, and debate periods will be held in accordance with the Standing Rules and Debate as adopted by the Student Senate.

(6) The Director of Communication on the Senate Operations Committee, or another designated member of the Senate Operations Committee, shall compile a report of the proceedings, limited to minutes of factual statements. (e) Post-proceedings

Vacancies stemming from the removal of officials from other branches will be filled according to the governing documents and practices of that branch.

(2) A public disclosure of the outcome of impeachment hearings is left to the discretion of the Internal Affairs Committee. The Internal Affairs Committee shall notify the removed Officer and the Chief Justice of the Judicial Court of the course of public action to be taken. This concluding action shall be compiled in a brief report to be kept with minutes and other records gathered throughout the course of the impeachment hearing.

(3) Minutes and reports compiled during and after hearings shall not be posted or made public domain.

(4) Motions to rescind and reconsider will not be entertained subsequent to an impeachment motion.

(5) In reference to a single occurrence of a specified impeachable offense, two (or more) impeachment indictments may not be served to a single Senator or official during any one Senate session, or within three months, whichever is longer. This regulation does not apply to a repeat or new offense.

- (a) **GROUND FOR A VOTE OF NO CONFIDENCE.** The Senate may remove any Officer of the Senate or any ad hoc committee chair, from his or her officer position, but not his Student Senate seat, for failure to uphold the duties and honor of his office, improper conduct, or any other grounds for impeachment.
- (b) **MAIN MOTION AND EXECUTIVE SESSION.** The motion for a vote of no confidence shall be a main motion requiring a one-fourth (1/4) second and a two-thirds (2/3) vote to pass. The motion shall move the Senate into executive session upon receipt of the required second until the motion is completed.
- (c) **LIMIT ON MOTION.** Only one individual may be the subject of a motion for a vote of no confidence at a time, an individual may only be the subject of a motion for a vote of no confidence once for any particular offense or charge, and an individual may be the subject of a motion for a vote of no confidence only once per any general assembly meeting.
- (d) **DISQUALIFICATION OF CHAIR.** Should the Speaker of the Senate be the subject of the motion for a vote of no confidence, not be present, or have made or seconded the motion, he shall be disqualified from presiding over the motion, and the Speaker Pro Tempore shall chair the disposition of the motion. If the Speaker Pro Tempore is disqualified for any of the same reasons as the Speaker of the Senate, then the Rules and Regulations Chair shall chair the disposition of the motion. If all of the above mentioned individuals are disqualified, the Senate shall nominate and approve a Senator to preside over the motion by a majority vote who shall not be disqualified.
- (e) **PROCEDURE FOR THE MOTION FOR A VOTE OF NO CONFIDENCE.**
Upon completion of the qualification of the presiding chair,
 - (1) The moving Senator shall have a ten (10) minute presentation period outlining the grounds for the motion for a vote of no confidence, followed by a five (5) minute period of question and answer. The individual subject to the motion for a vote of no confidence will then have the same allotment of time for a defending presentation and question and answer period.

There shall be no rules governing the content of any presentation, except that such content shall not violate any standing rules of the Senate or Robert's Rules of Order on decorum.

- (2) A fifteen (15) minute period of debate will then follow. The movant and the individual subject to the motion for censure will be given no special or superseding right in debate.

(f) **MOTION TO RECONSIDER.** A motion to reconsider is not in order upon passage of a motion for a vote of no confidence.

(g) **AUTOMATIC REMOVAL.** Should the motion for a vote of no confidence pass, the individual shall be immediately relieved of his or her officer position and its corresponding rights, privileges, and obligations. The officer position shall be declared vacant and filled according to the procedures for filling a vacancy for the position under these Bylaws.

(h) **RECORDING.** Only the outcome of a motion for a vote of no confidence shall be in the minutes, including the movant, the individual subject to the motion, and the voting record.

(i) **RIGHTS RETAINED TO INDIVIDUALS.** Nothing in this Section shall be construed as to relieve any individual removed of his or her officer position from retaining all rights, privileges, and obligations of a Student Senator.

section III. No Senator who is removed for any reason from one session of the Student Senate shall be removed for that same infraction from another separate session of the Senate, unless he or she is impeached and a motion is passed to bar him or her completely from service in the Student Government Association for a definite or indefinite amount of time.

ARTICLE VI. LEGISLATION

section V.

Legislation

(a) Any student or students may write a piece of legislation for consideration by the Student Senate. These students will be credited as “Authors” in the legislation. If any Author holds a title at Texas A&M university, that title may be included on the bill.

(b) To be brought to the floor for a first reading, one (1) or more Student Senators must sponsor the bill. They will be credited as “Sponsors” in the legislation at the consent of the Authors. Should a Sponsor also be an author of the bill they will only be credited as an Author.

(c) The total number of Authors and Sponsors on any piece of legislation shall not exceed fifteen (15). If desired a petition including names, signatures, titles, and demographic information of additional supporters who are students may be attached to any piece of legislation.

(d) Bill Authors may participate in Bill presentations and will have speaking privileges for the periods of presentation and question and answer. They shall not be granted speaking privileges for periods of debate.

(e) Any student or students intending to lobby or represent the Texas A&M University Student Senate with the authority of a passed bill, resolution, or act who is not a Student Senator or a member of the Executive Council must be accompanied by an appropriate Senator or member of the Executive Council.

(f) All legislation shall be made available to the members of the Senate, no less than one (1) class day prior to the day of the Senate meeting at which time it is to be considered

(g) Legislation must be read in its entirety to the Senate before consideration unless by unanimous consent the Senate agrees to consider the bill as read. A bill presentation shall count as a reading in order to satisfy this requirement, but any Senator may still request that a bill be read in its entirety.

- (1) Bills: A bill is a binding statement of the Senate calling for a specific action in its implementation. A bill requires a majority vote of the members present and voting. A bill must be presented to the Senate for the first reading and may be voted on only upon its second reading unless it is considered emergency legislation.

A bill's first reading shall consist of a presentation and a period of questions and answers only, with no debate except in the case of emergency legislation as outlined above.

At the conclusion of a bill's first reading, the Speaker of the Senate shall assign the bill to the appropriate legislative committee as outlined in Article VII, Section I, subsection (e) of the Senate Bylaws. Each bill must pass through this committee process before being brought to the floor for a second reading unless a motion to take the bill from committee to the floor as outlined in Article VII Section II is approved by a two-thirds (2/3) majority of the Senate. A bill must be in its finalized form when it comes up for a first reading.

All changes made between the first and second reading of a bill must be highlighted on the document when it is sent out to the Senators and when it is brought to the floor for the second reading. During the second reading, the bill author(s) must read the bill in its entirety and also accentuate to the body the changes made in his or her presentation since the first reading.

The markings signifying changes will be removed once the bill is passed or failed for archiving purposes.

- (2) Renewed Bills: a renewed bill is exactly the same as a standard enacted bill. To create one, any Senator or Senators who wish to renew a bill must inform the Speaker of their intention by the same deadline at which new legislation to be read at the following meeting is due. The motion to renew will be placed on the agenda for that meeting and treated as the second reading of that bill. The main motion to be considered at that time will be a bill exactly the same as the old bill except as follows: the authors will remain the same; the sponsors will be replaced by the Senators who ask for the bill to be renewed; the bill will have a subtitle of "Special Designation: Renewed Bill"

; and the bill number will be that of the original bill followed by an "RX", where X is the number of the session in which the bill is being renewed. This new bill may only be amended formally by a majority vote of those present at the meeting. The bill requires a majority vote to pass. A renewed bill may not itself be renewed, nor may a renewed bill be sent to committee.

- (3) Resolutions: A resolution is a non-binding statement of opinion of the Student Senate. A resolution requires a majority vote of the members present and voting. A resolution may be voted upon at the meeting in which it is introduced and is not subject to approval or veto by the Student Body President. Before the resolution is voted upon it must be read, in its entirety, by the resolution author(s), to the senate body.
- (4) Consent Resolution: A consent resolution is a resolution, as defined in (2) above. A consent resolution will not be open to questions and answers, presentation, or debate. Consent resolutions shall be considered such by unanimous consent. If at any time one or more Senators object to the resolution being in consent form, the resolution will be considered as a normal resolution as described above. All of the Consent Agenda items will then be passed without objection.

(h) All legislation passed by the Senate subject to Presidential Approval shall be certified by the Speaker on all pages and forwarded to the Student Body President for approval within two (2) class days.

(i) All legislation passed by the Senate not subject to Presidential Approval, failed by the Senate, or referred to committee or tabled by the Senate and never returned to the floor by the end of an academic semester, shall be certified on all pages by the Speaker within two (2) class days.

(j) Before a final vote or consideration of Consent Agenda can occur on any piece of legislation, said legislation shall conform to the currently approved legislative template; this legislative template can be proposed by any member of the Internal Affairs Committee, shall be approved by a two-thirds (2/3) vote of the Internal Affairs Committee and shall be made easily available in an online format to all members of the Senate, or anyone upon request.

section VI.

Emergency Legislation

(a) Emergency Legislation shall be defined as, "any bill which requires immediate action and should therefore be acted upon without a second reading"

(b) A bill may acquire emergency legislation status:

(1) Prior to the Senate meeting: If such action is approved by a majority of the Officers of the Senate

(2) During a Senate Meeting: If such action is called for by the author of the bill and approved by a 2/3 majority of the members of the Senate present and voting.

(c) No bill that would amend the Student Government Association Code may be considered as emergency legislation. All such bills must be read at two separate, regularly scheduled general assembly meetings before passage.

(2) The motion is debatable and requires a second followed by two-thirds (2/3) approval of the body.

(3) A successful motion to take from committee brings the designated legislation before the body as a question for debate and a vote.

Debate recognition will alternate between those arguing for and against the question. The first recognition will be a member debating against the motion, if such a member avails him or herself to the chair at that time.

Recognitions will be limited to two and a half (2.5) minutes.

A member may yield the remainder of his or her recognition time to another member.

A motion to previous question will be out of order until two recognitions for debate have been made.

(b) The provisions provided in this section may be temporarily suspended or amended at any time by a two thirds (2/3) majority vote of the Senate.

section II.

The only exception to this rule is that articles of clothing may be worn anytime anywhere during the campaign period. Any candidate found actively campaigning in the aforementioned areas shall be assessed a major violation. Wearing t-shirts or apparel is not considered actively campaigning. Apparel includes clothing, backpack tags, tattoos, and anything else deemed apparel by the Election Commissioner.
- (h) No demonstrations, gatherings, or other form of campaigning, which interfere with the natural flow of either pedestrian or vehicular traffic, shall be permitted. Riding in the bed of a truck, pulling trailers, or offering rides in order to solicit votes or promote a candidate are not to be permitted. **No form of campaigning can impede the health and wellness of any candidate or student. This will be determined by a majority vote of the commission as well as the approval of the Election Commission advisor.**

While campaigning in dining facilities, candidates must adhere to standards of conduct established by Dining Services. - (m) Only four (4) people working for one candidate or any mutually supportive group of candidates may campaign in one place at a time. This does not include the candidate or group of candidates themselves.

These tiers should act as a guideline for candidates and the Commissioner, and decisions of the Commissioner may bridge these tiers if found necessary. The amount a certain tier suggests for a violation is only a guideline, and final sanction amounts and degrees are at the discretion of the Commissioner. The tiers shall be as follows:
 - (i.) Tier 1
 - (i) Major offenses. Major violations include, but are not limited to:

offenses against local, state or federal law to any degree; sabotage of opposing campaigns; voting fraud, falsified documents (with proof included to show falsification, including finance reports); and ethics/Honor Code violations.

The Election Commissioner shall notify the candidate of the decision through the "Major Violation Report" within seventy-two (72) hours of the Election Commission meeting.

- (c) Minor violations shall be assessed within twenty-four (24) hours of the report by the Election Commissioner.

- (ii.) Candidates filing under a Minor Race shall be subject to a base \$10 fine. Each subsequent related offense shall result in an additional fine, with a \$5 increase to the amount of the last fine.

- (d) The total amount of fines shall be deducted from the candidate's budget, however, only one-half of the fine shall be paid by the candidate to the election commissioner.

- (i.) All such payments must be made within ten (10) days after the final day of voting.

section I. General Expenditure

- (a) Each candidate for any office shall be required to keep accurate, up-to-date records of all campaign receipts and expenditures.
 - (1) The term "expenditure" is defined as the fair market value or actual cost, depending on the appropriate circumstance, of all campaign materials used or obtained by any candidate in his/her campaign and any fines incurred by the candidate.
 - (2) Actual cost is defined as the cost as enumerated on an official sales receipt including the cost of tax at 8.25%.
 - (3) Fair market value is defined as the cost available locally to any given student within the Bryan/College Station area. Possible prices available over the internet to a student within Bryan/College Station are not considerable when determining fair market value unless approved by the Election Commissioner.
 - (4) Tax shall not be included in the fair market values assessed by the Election Commission, but it must be applied at a rate of 8.25% on the finance report.
 - (5) Items purchased over the internet which do not have fair market equivalents in the Bryan/College Station area must be expensed at cost, including any taxes paid.

 - (4) All donated materials are to be expensed at fair market value, regardless of quality.
- (c) It is the responsibility of the candidate to assess a fair market value for any donated campaign materials or campaign materials used without any proof of payment. This shall be done by filling out the Fair Market Value Assessment Form provided by the Election Commissioner. Fair Market Values must be assessed using at least three (3) vendors and may use up to five (5). This form shall serve as the receipt for donated items and must be included in the submitted finance report.
- (d) Candidates must list the entire cost of each individual expense that results in campaign material that in any way suggests support for their candidacy. There shall be no prorating of costs to account for unused campaign items which were purchased.
- (e) Budgets from two (2) or more candidates may not be combined in any way. Any campaign material bearing the name of more than one (1) candidate must be expensed in full at actual cost or fair market value, depending on the appropriate circumstance, by each candidate named.
- (f) Receipts for such expenditures must be submitted by each candidate separately. For final expense reports, candidates may not submit photocopied receipts without the prior consent of the Election Commissioner.
 - (1) In the case of co-candidacy, one candidate must submit the original receipt and the co-candidates may submit photocopies.

- (g) No candidate shall be held responsible for any expense of an unused campaign item purchased before the mandatory candidates' meeting.
- (h) Candidates running in more than one (1) race in any one election cycle shall be identified as two (2) separate candidates and submit two expense reports.

section II. Budget

- (c) If no campaign spending has occurred, the candidate must submit a Null Expenditure Statement in place of a finance report.

section IV.

- (a) Officers of the Student Government Association (as recognized by the Department of Student Activities) shall be allowed to accept compensation from university entities or departments or partners of the university in direct consideration of the individual's service to the Student Government Association. Such compensations may not be funded directly out of student fees.
- (b) Nothing in this section shall be construed as prohibiting any member of the Student Government Association (as recognized by the Department of Student Activities) from receiving scholarships, grants, or other awards from any entity in consideration directly or indirectly of the individual's service in the Student Government Association. Such scholarships, grants, or other awards, however, may not be funded directly out of student fees
- (c) If compensation for SGA officers is executed in any given year, before any other officer of SGA is compensated, the Student Body President must first be compensated followed by the Speaker of the Student Senate and then other officers of SGA.

If a candidate spends no money on his or her campaign, a sworn statement to that effect, made available by the Election Commission, shall be accepted as an official expense report. This documentation must be submitted in the same manner as traditional expense reports.

section I. Auditing

- (a) The Commission shall audit all expense reports to determine compliance with necessary and applicable regulations
- (b) Items that have been used in campaigning in any way, or have been purchased with the intent to use in any way unless it is an unused campaign item purchased before the mandatory candidates' meeting, shall be considered necessary for expensing and such items shall be included in audit procedures.
- (c) Items to be expensed shall include, but not be limited to, items that fit both of the following criteria:
 - (1) The item would not be purchased but for the candidate's running for election.
 - (2) The item cannot be accessed for free by the regular student.

section II. Transparency

The Election Commission shall make all candidates' expense reports publicly available at *tamuelection.com* within twenty-four (24) hours after the election results announcement.

- (b) Inaccuracies or omissions suspected in campaign budgets may be reported to the Election Commission in the same way that finances are reported. The complainant must include material or photographic clear and convincing evidence of the error in order for it to be considered by the Election Commission. All such complaints about a posted budget must be made within twenty-four (24) hours of the time that budget is made available online.

Article IX. Voting

section I. General

- (a) Elections shall be conducted online using a secure and private method. Ballots shall be organized and marked in a manner designated by the Election Commission. Students may vote only once and only with their own Net ID and password. Duplicate ballots and those not complying with these requirements shall be voided.

- (b) Students voting fraudulently may be subject to sanctions by the Election Commission, and the university, and state or federal law.
- (c) The Election Commission shall make every attempt to conduct voting in a way free from coercion or pressure. Those obstructing the free and fair nature of the voting process, by which voters may cast a ballot by free choice, are in violation of these regulations and the Aggie Honor Code.

section II. Voter Qualifications

- (a) A voter must be an enrolled student at Texas A&M University in College Station, Bush School, Law School or Health Science Center
- (b) A voter must have a valid Texas A&M University ID number for the current year.

section III. Ballots

- (a) The Election Commission shall post the sample ballot for the purpose of correcting errors on or before the Friday following the mandatory candidates' meeting by 9:00 a.m. If a candidate does not appeal any error on the sample ballot by 5:00 p.m. that day, he/she loses his/her right to appeal on this issue.
- (b) The sample ballot shall not be used for any voting. It shall only be used for a candidate to verify that their name and caucus has been properly recorded for the election process, and for other administrative purposes as needed by the Election Commission.
- (c) Candidates who are disqualified at least seven (7) days prior to the start of voting may appeal that disqualification to the Judicial Court immediately. The Election Commission shall remove all such disqualified candidates who fail to do so from the final sample ballot. Candidates who are disqualified after that time shall not be removed from the ballot under any circumstances, and the disqualification shall not be publicized by the Election Commission until the announcement of unofficial results after voting has taken place. The Election Commission may privately notify any candidate of the grounds of his or her disqualification immediately after that decision is reached by the Election Commission.
 - (1) Candidates may withdraw from the election at any time in writing via email to the Election Commissioner. Withdrawal from the election may not be rescinded by a candidate once submitted. The Election Commission may only remove a candidate from the ballot within the 7 days prior of voting opening upon receiving an emailed request for withdrawal from the candidate. Candidates who withdrew will be marked as "withdrawn" in the final results and will be eliminated following the conclusion of voting.
- (d) The Election Commission shall post the final sample ballot for any election at least four (4) class days prior to the election and shall also submit a copy of the final sample ballot to The Battalion at that time.
- (e) No phrases or slogans may be attached to a candidate's name on the ballot. The name that will appear on the ballot must be the name for which the candidate is normally known in a professional or academic setting.
- (f) An employee of the Division of Student Affairs shall maintain the online ballot.

section IV. Election Dates

- (a) General Elections

- (1) Voting days of the spring general elections shall begin on Thursday at 9:00 a.m. and end on Friday at 12:00 p.m.
- (2) The dates of the fall general elections shall be set by the Election Commissioner who is in office during that fall.
- (3) All election dates shall be announced via campus-wide email at least one (1) week before the start of filing, and again on the day that filing is opened.

section V. Changes

- (a) The Election Commissioner has the authority to change the dates of an election if unforeseen circumstances arise that would warrant such a change with notification of the Student Government Advisor and all candidates.

section VI. Instant Runoff Voting

- (a) Instant Runoff Voting is a method of voting in which voters rank candidates from most-preferred to least-preferred in the general election. Losing candidates are eliminated one by one in rounds, and ballots cast for them are reassigned to their voters' next choice, until the final number of winners is reached.
 - (1) ii. The following definitions shall be ascribed to these terms in this sub-section:
 - (b) Ballot: A ranking of any or all candidates cast by a voter in one race. During any given round, each ballot shall be counted as a vote for the candidate or candidates ranked highest on that ballot, who is neither disqualified nor eliminated.
 - (c) Round: Any count of ballots cast.
 - (d) Elimination: Occurs when a candidate is most-preferred by the fewest voters in a round. This is not the same as disqualification, but prevents a candidate from being counted in future rounds in that race.
 - (e) Exhausted Ballot: A ballot in which all candidates ranked are either disqualified or previously eliminated. Exhausted ballots shall not be counted in any given round. This will not occur on any voter's ballot if that voter assigns a ranking to all candidates in a race.

Article X. Procedure- Single Seat Races

Section I

(a) At the point of voting, all voters shall be presented with a list of candidates running for each race, as well as spaces for the allowed number of write-ins (equal to the number of winners for that race). Voters shall be allowed to rank those candidates and write-ins from one (1) for most-preferred to the number of candidates on the ballot plus the number of write-ins for least preferred.

- (1) Example: in a race in which eight (8) candidates are running for one (1) seat, the number of write-ins allowed would be one and the rankings would go from one (1) [most preferred] to nine (9) [least preferred], for the eight (8) candidates on the ballot plus the one (1) write-in.
- (2) Before rounds begin, all disqualified candidates shall be eliminated and all candidates, including write-in candidates, who receive fewer than one percent (1%) of the total number of ballots cast in a race shall be eliminated.
- (3) In the first round, all candidates shall be ordered by the number of ballots that are counted as votes for them (they are ranked most preferred after removing eliminated candidates). The candidate who receives the fewest votes is eliminated. Exhausted ballots shall not be counted.
- (4) If necessary, a second round shall take place by the same procedure. Additional round shall be counted by this same process until the number of candidates who have not been eliminated or disqualified is equal to the number of winners. Those candidate(s) shall be declared the winner(s) of that race.
- (5) If two (2) or more candidates in a round are exactly tied for last place, they shall all be eliminated unless that would result in the number of candidates falling below the number of winners. In that instance, the remaining candidates shall be declared as the winners, and the outgoing session of the Student Senate shall resolve the tie by a majority vote at its next regularly scheduled general meeting in accordance with its rules for officer elections.

section II. Locations

- (1) The official polling place for elections shall be online at *vote.tamu.edu* for the fall and spring general elections.
- (2) Physical polling locations may be added at the discretion of the Election Commissioner. These locations shall remain open for a maximum of two (2) class days for an election. Election Official's watch shall be the official timepiece for opening and closing of each polling place.
- (3) Students shall have the right to vote online with the use of an electronic device free from pressure or obstruction.

section III. Results

- (1) Results of all elections must be certified by the Chief Justice of the Judicial Court. This certification must occur after the time which either no appeals to the election results may be filed or all outstanding appeals for any given race to the Judicial Court have been dealt with, whichever comes later. This certification shall signify that no further challenges to the results of an election may be filed. The Chief Justice may certify all races at once or any combination of races at his or her discretion, so long as all certifications are completed according to the above timeline.
- (2) The Election Commission shall announce uncertified results of all elections no earlier than 7:00 p.m. on the last day of voting, and the results shall be posted online immediately thereafter. Results are not official until certified by the Chief Justice of the Judicial Court. Results shall also be submitted to The Battalion for publication.
- (3) The winners in elections other than Student Senate and Yell Leader elections are determined by the instant runoff process above.

- (4) In the Student Senate and Yell Leader elections, the winners shall be decided by a plurality vote. If there is a tie for the last remaining seat in a Senate constituency, the seat shall be decided by a coin flip under the supervision of the Election Commissioner and the SGA Advisor. Ties for Yell Leader shall be resolved according to the Yell Leader Governing Documents without further use of SGA Election resources.

section IV. Judicial Court Appeal

- (a) A candidate may contest an election no sooner than after the announcement of unofficial results, and later than forty-eight (48) hours after the unofficial results are announced by filing an appeal with the Judicial Court stating the basis on which the election is contested.
 - (1) In any appeal concerning election fines, disqualifications, or the improper application of these Regulations, the defendant shall be the Election Commissioner.
 - (2) In any appeal challenging the constitutionality of any of these Regulations, the defendant shall be the Student Senate.
 - (3) In any appeal that would change the outcome of a race, the defendant shall be the election commissioner and not the winning candidate in that race who would lose his or her status as the winner if the appeal were decided in favor of the plaintiff. The ruling of the Judicial Court on the outcome of the reported violations or other ground for the appeal shall be final and not subject to review by a subsequent appeal by the originally winning candidate.
 - (i) The plaintiff may be required to name any or all of these parties as defendants under this rule depending on the circumstances of the appeal.
- (b) Administrative Error
 - (1) If prior to Judicial Court certification, it is discovered that the winning candidate was not qualified because of an error in the certification provided by the Student Government Advisor, the Student Body President shall declare the post vacant and/or it shall go to the candidate with the next highest vote count.

ARTICLE V. SUBMISSION OF PETITIONS

SECTION I. All referendum petitions and recall petitions must be returned to the Chief Justice in physical form at a location within the John J. Koldus building at Texas A&M University provided to the petitioner by the Chief Justice upon issuance of the petition. All referendum petitions and recall petitions are due fourteen (14) days after they are issued.

ARTICLE VI. CERTIFICATION OF SIGNATURES

SECTION I. All referendum petitions and recall petitions shall be certified by the Chief Justice within fourteen (14) days of their submission upon determining that the following has occurred:

- (a) Certified Signatures
 - (1) Only certified signatures may be counted when determining whether the minimum number of students have signed the petition.
 - (2) Only students who have provided the following information shall have their signatures counted as certified signatures:
 - (i) A signature;
 - (ii) A first and last name;
 - (iii) The last four digits of a UIN that matches the last four digits of the UIN for the first and last name provided; and,

- (iv) A date by the signature that clearly indicates that the information was provided within the fourteen (14) day distribution time period for the petition.
- (b) Referendum Petitions

- (1) In the case of referendum petitions enacting statutes, the Chief Justice determines that the petition contains at least five thousand (5,000) certified signatures.
- (2) In the case of referendum petitions enacting constitutional amendments, the Chief Justice determines that the petition contains at least seven thousand five hundred (7,500) certified signatures.
- (c) Recall Petitions
 - (1) The Chief Justice shall calculate the number of students in the Student Senator's constituency based upon the twelfth (12th) class day enrollment figures for Texas A&M University College Station for the fall or spring academic semester, whichever is applicable.
 - (2) The Chief Justice shall multiply the number reached in Sub-Division (1) by 10% (.10). Should this calculation exceed 150, this calculation shall be used to determine the minimum number of certified signatures required; however, should this calculation be less than 150, 150 shall be used as the number of certified signatures required.
 - (3) The Chief Justice shall then determine that the petition contains at least the number of certified signatures called for by Sub-Division (2) above.
- (d) The Chief Justice may cease counting signatures and immediately certify a petition as complete upon determining that the number of certified signatures for a petition is at least 10% more than is required. In all other cases, however, the Chief Justice shall count all signatures before determining whether the petition is complete or incomplete.
- (e) All completed referendum petitions shall be delivered by the Chief Justice to the Election Commissioner in senate bill format within twenty-four (24) hours of their completion. All completed recall petitions shall be delivered by the Chief Justice to the Election Commissioner within twenty-four (24) hours of their completion. The completed referendum or recall petition shall be accompanied by a certified statement of the Chief Justice that the referendum or recall petition is complete.

ARTICLE VII. REFERENDUM AND RECALL ELECTION

SECTION I. Referendum Petitions

- (a) All completed referendum petitions shall be placed on the ballot for the next general student body election, as provided for in the Election Regulations Act (Title V Chapter 601), by the Election Commissioner. The ballot shall contain either the referendum petition in its senate bill format, or a link to the referendum petition in senate bill format.
 - (1) Should the referendum petition be deemed complete by the Chief Justice less than seven (7) days before the next general election, however, the Election Commissioner shall not place the completed referendum petition on the ballot until the next general student body election, as provided for in the Election Regulations Act (Title V Chapter 601) that is more than seven (7) days after the referendum petition is deemed complete by the Chief Justice.

- (2) Should the Student Senate vote to call for a completed referendum petition to be voted on by the student body earlier than the next general student body election, pursuant to Article X of the constitution, the Election Commissioner shall call a student body election on the completed referendum petition no sooner than seven (7) days after the Student Senate's affirmative vote, but no later than twenty-eight (28) days after the Student Senate's affirmative vote.
- (b) All student body elections on completed referendum petitions shall be conducted in accordance with the Election Regulations Act (Title V Chapter 601).
 - (1) The Judicial Court shall hear any challenges to referendum results. The Court shall have the authority to overturn any referendum result if a student supporting the losing party can prove by clear and convincing evidence that the Election Regulations (Title V Chapter 601), or any other statute governing elections or referenda, were not followed substantially correctly by either the Election Commission or another party and that that transgression resulted in a material disadvantage for the plaintiff's side in the referendum.
 - (2) All such challenges, however, must be filed with the Judicial Court within forty-eight (48) hours.
 - (3) The Chief Justice shall certify all referendum results no sooner than forty-eight (48) hours after the referendum results, and no later than seventy-two (72) hours after the referendum results. The Chief Justice shall not certify any referendum result while a Judicial Court challenge is pending regarding the referendum result. This certification shall void any further challenge to referendum result.
- (a) The Election Commissioner shall inform the Chief Justice of the Judicial Court, the Student Body President, and the Speaker of the Senate on the results of any election containing a completed referendum petition.
- (b) Any referendum petition which passes a certified student body election shall be considered immediately amended into the Student Government Association Code as a matter of law. The petition shall then be physically amended into the Student Government Association Code by the Student Senate Rules and Regulations Chair according to the provisions of the Administrative General Act (Title I Chapter 001).

SECTION II. Recall Petitions

- (a) All completed recall petitions shall be placed on the ballot for a special election of the Student Senator's constituency by the Election Commissioner. The ballot shall contain the name of the Student Senator subject to removal and a place for the students participating in the election to vote "yes" "no" or "abstain" on the question of whether the Student Senator should be removed from office. No other information about the Student Senator may be placed on the ballot.
- (b) The special election of the Student Senator's constituency shall take place no sooner than seven (7) days after the recall petition is deemed complete by the Chief Justice and no later than twenty-eight (28) days after the recall petition is deemed complete by the Chief Justice.

- (c) All special elections of Student Senator's constituencies on completed recall petitions shall be conducted in accordance with the Election Regulations Act (Title V Chapter 601).
- (d) The Election Commissioner shall inform the Student Body President, the Chief Justice, the Speaker of the Senate, and the Speaker Pro Tempore on the results of any recall election. ARTICLE III. **THE NON-ACADEMIC STUDENT FEE REVIEW**
ACT

section I. Short Title, Legislative Findings, Legislative Intent, and Legislative Authority

(a) SHORT TITLE. This Act may be referenced as the “Non-Academic Student Fee Review Act” as its formal title in official documents, or as the “NASFRA” as its short title.

(b) LEGISLATIVE FINDINGS. The Student Senate finds that:

(1) The student body of Texas A&M University does not have any binding authority over the rates and allocations of their non-academic fees;

(2) While students alone pay these non-academic student fees, their elected representatives in the Student Senate do not have any power to allocate non-academic fees or govern their use;

(3) Non-academic student fees are similar in nature to taxes, and the failure of the student body or the Student Senate to have power to approve of the rates or allocations of non-academic student fees is tantamount to taxation without representation;

(4) While students serve on the Student Service Fee Advisory Board, the membership of this board is partially appointed by the President of Texas A&M University, and the board’s members are not accountable to the student body or the student’s representatives in the Student Senate;

(5) The current fee review process vests an equal voice to the Graduate Student Council and the Student Senate when reviewing SSFAB recommendations, even though the Student Senate also represents graduate students;

(6) An ideal solution to these problems it to modify the academic and non-academic fee review process to allow the Student Senate to control non-academic fees that are charged to a majority of the student body, and to let the particular other student organizations (GSC, RHA, etc...) to control non-academic fees that are charged only to a particular subset of the student body;

(c) **LEGISLATIVE INTENT.** The Student Senate intends this Act to promote the general welfare of the student body by remedying the deficiencies in the current non-academic student fee allocation process at Texas A&M University through the establishment of a comprehensive reform program to be executed in good faith by the Student Body President or a designated member of his Executive Cabinet by lobbying relevant student organizations, Texas A&M University and System Administrators, the Board of Regents, the Texas State Legislature, and other pertinent entities at the Student Body President's, or his designated cabinet member's, discretion.

(d) **LEGISLATIVE AUTHORITY.** The Student Senate is authorized to promulgate this Act by Article III Section I of the Student Government Association constitution, vesting legislative powers in the Student Senate. The Student Senate is further authorized to promulgate this Act by Article III Section III Sub-Section (a) of the Student Government Association constitution, vesting power in the Student Senate to enact statutes necessary to promote the general welfare of the student body.

section II. Definitions

(a) Unless otherwise indicated within the context of this Article, the following words shall be assigned the following meanings:

(1) "SSFAB" shall be defined as the Student Service Fee Advisory Board at Texas A&M University College Station as established by the laws of the State of Texas.

(2) "Green Fee Advisory Board" shall be defined as the student, faculty, and staff reviewing board charged with recommending the allocation of the Environmental Services Fee.

(3) "Vice President for Student Affairs" shall be defined as the individual administrator at Texas A&M University College Station charged with overseeing the division of student affairs, or such an equivalent entity.

(4) "Fee Allocation(s)" shall be defined as the appropriation of a student fee(s) to particular programs, services, or entities.

(5) "Non-Academic Student Fee" shall be defined as:

Any fee charged to any subset of the student body which, at the determination of the Student Government Association:

Is charged only to students;

Funds, directly or indirectly, any program or service used predominately by students, rather than faculty, administrators, or staff; and,

Is not tuition, either designated or un-designated or a course fee thereof.

The following enumerated student fees shall be considered non-academic student fees regardless of the definition above in roman numeral (i):

The university Advancement Fee;

The Recreational Sports Fee;

The Student Center Facility Fee; and

The Group Hospital and Medical Services Fee.

section III. The Proposed Academic/Non-Academic Student Fee Review Policy/Proposal.

(a) It shall be the official permanent policy of the Student Government Association, on behalf of the student body of Texas A&M University, that the Texas A&M University System Board of Regents, the administration of Texas A&M University, or the Texas State Legislature, whichever is pertinent to the staged policies and proposals below, should provide the students of Texas A&M University with control over non-academic student fees and power to review academic student fees according to the following staged policies and proposals listed in Sub-Sections (b-d):

1. STAGE ONE POLICIES AND PROPOSALS.

SSFAB ABOLISHED. The administration of Texas A&M University should abolish the Student Service Fee Advisory Board and, instead, vest authority in the Student Government Association (through the Student Senate Finance Committee) to review all student fees which SSFAB currently reviews. Alternatively, administration should allow all nine (9) members of SSFAB to be appointed through a process established by SGA, and SSFAB shall be considered subsidiary to SGA. SSFAB shall forward their recommendations to the Student Senate for final approval, subject to amendments and to a presidential veto. SGA shall then forward that recommendation to the university's Council for Strategic Budgeting.

(1) **GREEN FEE ADVISORY BOARD ABOLISHED.** The administration of Texas A&M University should abolish the Green Fee Advisory Board and, instead, vest authority in the Student Government Association (through the Student Senate Finance Committee) to review all student fees which the Green Fee Advisory Board currently reviews.

(3) GENERAL FEE PRESENTATIONS. All entities requesting student fees, either academic or non-academic in nature, that are charged to a majority of the student body, should present fee requests to a Special Session or a general assembly meeting of the Student Senate only, including recommended fee rates and recommended fee allocations of fee monies to particular programs and services. These entities should be subject to a period of question and answer by the Student Senators present.

(4) GENERAL FEE RECOMMENDATIONS. The Student Senate should be the sole entity charged with recommending approval of all academic and non-academic student fees to be charged to a majority of the student body.

This recommendation shall expressly extend to the following four (4) fees:
The Student Success Fee, also known as the university Advancement Fee;
The Recreational Sports Fee;
The Student Center Facility Fee; and
The Group Hospital and Medical Services Fee.

This recommendation should include recommended fee rates and fee allocations for entities.

This recommendation should extend to cumulative fee rate increases and decreases up to 10% (\$5.00 minimum).

Cumulative increases or decreases in fee rates exceeding 10% (\$5.00 minimum in total) should be decided by a referendum of the student body voting in an announced referendum for the purpose.

This recommendation should be in the form of a statute, either codified into the Student Government Association Code or un-codified, subject to the provisions of the SGA constitution.

(b) STAGE TWO POLICIES AND PROPOSALS. This Sub-Section shall apply upon the determination of the Student Body President that Sub-Section (b) has been substantially accomplished, or on January 15, 2015, whichever occurs first. Should this Sub-Section apply before Sub-Section (b) is substantially accomplished, this Sub-Section shall control over any conflicting policy in Sub-Section (b).

(1) GENERAL NON-ACADEMIC FEE REVIEW POWER. The Student Senate should be vested power to approve of the rate and allocation of all non-academic student fees to be charged to a majority of the student body. The Student Senate's review of academic student fees, described in Sub-Section (b) should remain unchanged.

This power shall expressly extend to the following four (4) non-academic fees:
The Student Success Fee, also referred to as the university Advancement Fee;
The Recreational Sports Fee;
The Student Center Facility Fee; and
The Group Hospital and Medical Services Fee.

This power should extend to non-academic fee rates and non-academic fee allocations for entities.

This power should extend to cumulative non-academic fee rate increases and decreases up to 10% (\$5.00 minimum).

Cumulative increases or decreases in non-academic fee rates exceeding 10% (\$5.00 minimum in total) should be decided by a binding referendum of the student body voting in an announced referendum for the purpose.

This power should be exercised through a statute, either codified into the Student Government Association Code or un-codified, subject to the provisions of the SGA constitution.

(2) FINAL AUTHORITY OF TEXAS A&M
ADMINISTRATION MODIFIED. The administration of Texas A&M university's review of any recommended fee rate or allocation should be modified according to the following provision:

The administration of Texas A&M University should be divested of any binding reviewing or approval power over non-academic student fee rate increases and allocations that are approved by the Student Senate.

(3) RIGHTS OF THE STUDENT SENATE
RETAINED. Nothing in this Sub-Section should be construed as limiting the Student Senate's power to provide for a process for approving fee rates or fee allocations in the Student Senate Bylaws, including one differing from these provisions.

(4) FEE CAPS. The Student Government Association shall advocate to the Texas Legislature, in and out of state legislative sessions, for the adoption of caps on any fees not capped at the university, which shall include the university Advancement Fee. The university Advancement Fee should be capped at the fee rate current to the Texas Legislative Session in which it is considered.

(5) TEXAS STATE LAW GOVERNING NON-ACADEMIC
STUDENT FEES. The Texas State Legislature should enshrine the policies and proposals contained in Sub-Section (b) and (c) regarding the binding authority of the Student Senate and the Specific Reviewing Student Organizations to approve any rate increases or allocations of non-academic student fees into Texas state law.

section IV. Execution of this Article

(a) The Student Body President, or his designated member of the Executive Cabinet, shall faithfully execute the policies described in Section III, and shall report to the Student Senate monthly on the status of the execution of the policies contained in Section III.

SGA COMMITTEE ADMISSIONS

POLICIES CARPOOL

- (1) A. The Application
- (2) i. Reviewing the Old Application

Reviewing the old application is an integral part of having a successful application process. This review will cover the information provided in the intro of the application, the questions asked, and the information to be included with the application.

The introduction of the application includes background about CARPOOL, the Mission Statement, Values, requirements of members, and expectation of members. Each semester the questions must be reviewed and changed if needed. The Executive Staff must first determine what characteristics they feel make a good CARPOOL Member. These characteristics may include, but are not limited to the following:

- A non-judgmental attitude
- Dedication
- Understanding of CARPOOL's Values
- Fun
- Creativity
- Ability to work in a team
- Communication skills
- Positive attitude

Once the characteristics of a good member have been outlined, the Executive Staff will draft questions that will give the Executives a feel for how well each applicant exemplifies these characteristics. Questions for the Member Application are usually questions that more thought and creativity since the applicants will have a few weeks to complete the application.

These questions should be presented in a clear manner that minimizes any misinterpretations of the questions. No question should lead the applicant to any particular answer, but rather it should lead to unique answers that display whether or not the applicant meets the desired criteria. Examples of the poor questions are ones that where no distinctions can be made between good applicants and the best applicants. In order to draft the most effective questions possible, Executives may also seek the advice of people both inside and outside of CARPOOL. These advisors may be administrators, faculty, students, current members or former members. If each one of these groups is consulted with about previous questions and alternative questions for the future application, the applications will produce better results.

The application will include one or two Executives who may be contacted if the applicant has any questions about the application. The dates of all events for the upcoming semester should also be on the application including the date Applications must be submitted, Member Training,

Member Meetings and the New Member Bonanza. Other information to be included on the Application is the maximum number of pages allowed to be submitted, the Student Government Associations approach to diversity, the opportunities available for all members, and all paperwork that must be turned in if selected for membership (auto insurance, medical insurance, and copy of driver license).

Finally, the application format in which applicants will submit their applications must be determined. In the past, applications have been submitted in paper form, via email, or online via the website. The 2010-2011 CARPOOL staff utilized the latter to minimize its effect on the environment and increase the ease with which the entire staff can review the applications. It is up to the current staff which application method to use, but this online application process ran very smoothly.

Regardless of the format, each applicant will have to submit a Personal Information Sheet (PIS). The PIS requests personal information from each applicant including their contact information, emergency contacts, address, shirt size, and assurance that the applicant meets CARPOOL's grade requirements. As stated above, this is personal information; therefore, it will only be used for CARPOOL purposes. Once the application has been finalized, it should be reviewed and agreed upon by the Chair, Directors, Deputy Directors, and Team Leaders.

(3) iii. Reviewing the Applications

Depending on which application method is chosen, all applications will be either submit their application online or turn it in to a reserved Koldus lockbox at the date and time specified on the application (contact Karen Williams in Student Activities to reserve one). All CARPOOL members who have fulfilled all of the member requirements for the semester and wish to remain in CARPOOL will also need to fill out a PIS form. A current copy of their insurances and driver license will be needed before the start of the upcoming semester.

The Chair is the only executive who will receive the completed applications. They will make sure any personal information is removed from the applications to keep the process unbiased and each application is numbered. The Chair and the Vice Chair(s) then create a spreadsheet, from the information provided on the electronic PIS forms, which will be used during the application interview process. This spread sheet will include the name, UIN, application scores, interview score, final weighted score, and an application number for each applicant.

Before any application is read, the Executive Staff will meet to discuss what is to be looked for in each answer how each question will be scored. Once these guidelines have been developed, a scoring rubric will be developed that will assign a scoring scale to the possible types of answers that can be received. This rubric will ensure that all applications are scored consistently. Once the rubric has been drafted, it is emailed out to the staff to refer to while grading. The applications are now ready to be reviewed by Executive Staff.

Each application will be read by at least two members of Executive Staff. Both Executives will score each question individually, and will give the applicant an overall score. Having at least two Executives read each application allows the scores to be averaged with two different impartial judges. If there are any large discrepancies (a difference of more than 5 points) in these two

scores or any questions about an applicant's answers, another Director will read the application. After Executives have read an application, the scores are entered into the spreadsheet.

While reading applications executives are encouraged to look for applications that are judgmental in nature. Though not released, each application will include a question to determine if an applicant has a judgmental opinion in regard to alcohol use. As is in the mission of CARPOOL, we provide a non-judgmental ride home to patrons. Also included in this ops manual is the CARPOOL statement on alcohol use, which is we don't take a stance. Therefore we do not interview applicants deemed to be judgmental. This judgmental nature is to be validated by a Director.

Once all of the application scores have been recorded, the Chair will determine what the cutoff for applicants to receive interviews will be. In order to get the best members possible, it is best to give as many interviews as possible in the time allotted. The cutoff should be proportionate based on gender (i.e.: if 2/3 of the total applicants are female, then the interview list should be 2/3 female). However this can be altered to reflect CARPOOL's current gender needs. For example if there is a great deficiency of males in the organization, then more males will be interviewed. A list of applicants getting an interview will then be posted in the CARPOOL Cube along with a signup sheet for interview times or a survey with available interview times will be sent out to those granted interviews. This will allow those who got an interview to immediately sign up for a time slot.

(b) B. Interview

The following section will detail the member interview process to be facilitated by the Executive staff.

(1) i. Pre-Interview

The interview process is CARPOOL's first and only chance to meet a potential new member before members are selected; CARPOOL tries to get to know as much about each applicant as possible. However, before interviews can commence rooms must be reserve for interviews on campus (typically three rooms for four days.) Interview questions must be also be discussed and drafted.

The Executive Staff will meet and discuss what questions will be asked during the interview. Old interview questions can be used for guidance and, again, outside sources may be consulted to help draft the most effective questions possible. Questions asked in the member interview are primarily designed to get a good feel for the applicant's personality and attitude. To ensure the effectiveness of the member interviews the questions asked in the interviews are not provided in this manual.

(2) ii. Basics

Interviews are facilitated by two Executives. Interviews last approximately 20 minutes from start to finish, which includes scoring and recording the scores. CARPOOL always tries to make

member interviews very relaxed and informal to help get a better feel for each applicant's true personality. It is extremely important for each Executive to be excited and welcoming during every interview. A negative or intimidating interviewer will negatively affect the applicant's interview. If an Executive does not feel comfortable interviewing, he/she does not have to interview but will still need to help facilitate the process.

The following are some rules for each interviewer to follow during each interview:

- Read the questions that appear on the sheet and only ask follow up questions when appropriate
- Dress nice, but casual; Executive polos are appropriate
- Only interview people you don't know
- Maintain as much eye contact as possible
- Be encouraging
- Act very interested in everything the person says

Each interviewer will take notes of the interviewee's answers to help them score the interview later. Interviewers should NOT score answers during the interview. These notes might also be reviewed by a third party in the case of a scoring discrepancy, so notes should be as thorough as possible. After all questions have been asked, the applicant will be allowed to ask any questions regarding CARPOOL or add anything he/she would like. Interviewers will remind the applicant when to pick up their letter from the CARPOOL Cube and wish them well.

(3) iii. Scoring the Interview

Immediately after each interview, the interviewers will score each question and give the applicant an overall score according to the scoring scale set by the Executive Staff prior to the interviews. This process is done individually and the two interviewers will not compare scores until they are done scoring. They may discuss with each other prior to scoring only if they were confused by an answer, but otherwise will not converse until after the scoring is done. Scores will be averaged and recorded. If any interview has a discrepancies over four points, the two interviewers should look over their notes and try to come to a compromise.

(c) C. Final Selection

After all interviews have been completed, the Directors will meet to discuss any discrepancies. Results from the interview portion are added to the spreadsheet and the applicants are sorted by score. The final score is a weighted score 60% coming from the average score of the interview and 40% coming from the application. However, these numbers may be altered at the discretion of the current staff. It is best when the committee is comprised of approximately an equal number of males and females if possible.

An acceptance or rejection letter will be drafted for each interviewee and emailed to the applicants. If there is some type of welcome event for the new members such as new member bonanzas, team dinners, and the final CARPOOL meeting of the semester the dates for said events will be included in this letter.

ARC-

The new member admission process will be made up of two components; an application and an interview.

-Applications will become available online at the beginning of each academic semester. Prospective members will need to complete and submit the application by the given deadline to be considered for membership.

-Prospective members will sign up for an interview, and a confirmation email will be sent to them with details pertaining to their interview.

-Meanwhile, executives will review all submitted applications before conducting interviews.

-After all applications have been reviewed and interviews have been assigned, executive members will conduct interviews with a minimum of two executives present for each interview.

-Executives will complete a rubric for each applicant based on the content of their application and interview.

-Once all interviews have been conducted and applications reviewed, the executive team will discuss all candidates and the chair, vice-chair, retention and recruitment director, and advisor will make the final decisions.

-Applicants will be emailed a decision.

ASB-

Big Event-

Committee & Staff Selection Process

Committee & staff application (Term “committee” used to encompass both)

1. Committee application sent out to experienced staff assistants (not the case for staff app) as the requirements for the committee position is 1 year as a Staff Assistant and therefore at least a Sophomore level. The reason for this is because in the Spring semester committee leads a Staff Sub---Co and needs to have experience with checking jobs and the processes of The Big Event. The exception is for Fish Aides for just the Fall semester. In the Spring semester they become the likes of a Staff Assistant and therefore will not have a committee management position so this is why they have an exception for just the Fall semester. Just as any position such as Director of The Big Event and the Executive Staff officers require experience so is the same for a Committee member. Another requirement is to attend an informational. All of these are determined on the application and information questions. Disqualifying application will be disqualified or receive a 0 for the written application part. Another requirement of the committee is for the committee to be fairly equally weighted between guys and girls. The size of the Committee & Staff is determined every year by the Executive Staff during the first Summer Retreat. Some other weighted factors will be talents such as video skills, social media skills and website building skills. Please also read notes at the bottom.
2. Applicants have 1 week to write and turn in application on a Friday
3. That night Executive Staff reads and scores applications
4. Scoring Process
 - a. No names on applications just UIN's
 - b. 3 copies of an application are turned in.

c. 2 copies are read by two different execs and are each assigned a unique score. Scores are used to determine the cuts for who will be given an interview and will affect the overall score.

d. Scores are determined on this scale (half points may be given; Ex: 6.5): (Note: It is impossible for every score to be equally assessed as factors such as human personality and grading differences will take affect. Also each applicant can't be perfectly assessed on simply just the words they say as there are factors such as personality and experience that will make it impossible to assign an exact number score for example when a specific word is mentioned)

Scoring:

1 – no effort whatsoever

2– little effort, but *does not deserve an interview*; does not answer the questions OR answers are not good

3– puts efforts into application, but does not seem to understand and/or possess the qualities we are looking for

4– Made an effort, answered questions, but they are not impressive, *still deserves an interview*

5– Sufficient application, good answers, but no specific reference/relevance to The Big Event; this would be a good generalized app---lacks details such as “selfless service” etc.

6– Good application, answers questions well, shows specific relevance to The Big Event

7– Great application! Well thought---out and planned answers. You can tell they put a lot of time into it. It stands out above the rest!

8– **You would give your life to make sure they are on TBE committee**-----should literally only have a few, if any of these

e. The 3rd application is used to equalize an application if there is a difference of great than 3 points between the two scores the two different execs scored. All three of the scores will be determined in the final average

f. An average will be taken to determine the overall written application score.

5. Make cuts for interviews.

The max amount of given interviews will be determined by the amount of available interview times within 3 days between the hours of 8am to 5pm and the Executive Staffs schedule.

a. The top 10% of all applications will automatically be given an interview. The bottom 10% will not be given an interview. Wherever the number of interviews given cut lies and above to the 10% line will be interviews given. Applicants between The number of interviews given cut line and the bottom 10% line

have the ability to be vouched for to be given an interview.

i. In order to weight guys and girls correctly vouches will generally be used for guys based on past data.

ii. The vouching processes.

Every Exec Is given 1 Vouch For a Max of 12 people to be “potentially” brought up. 8 will be given an interview. If an exec does not use his/her vouch is will become an exec team vouch and

a discussion about the application, interview and personal knowledge of the applicant, and blind vote will be taken to determine who will be the general exec team vouch. Finally to cut from 12 to 8 a final blind vote will be taken to determine who will receive the extra interview spots.

6. Interviews are posted on the SGA glass windows by UIN on Monday. Sign---Ups are also here for the successful candidates.

7. Interviews are conducted by the Executive Staff that same week.

a. Interviews are 25 min

b. 3 execs will be in each interview

- c. Created in a way to exclude Execs interviewing friends.
 - d. Attached is an example of questions asked
 - e. Each interviewers assigns a score without biases of the others. Scores are based on the same scale as above but tailored towards an interview. (Scores are allowed to go to the range of a 10th between each number; Ex: 6.1)
 - f. All interview scores are then averaged together
 - g. The interview is weighted 60% and the application portion 40%. Then a total final score is determined.
 - 8. Final cuts for the finalized committee are made (Numbers of committee were determined at the first Summer Exec Retreat).
 - a. The top 10% of applicants will automatically make committee. The bottom 10% will automatically not make committee. After the number on committee is set the line between this number and the top 10% line are the very likely to be on committee list. The list between the number of committee line and the bottom 10% line is the list of members that can be vouched for.
 - i. In order to weight guys and girls correctly vouches will generally be used for guys based on past data.
 - ii. Each Exec is given 1 vouch for a total of 12 vouches. If an exec does not use his/her vouch it will become an exec team vouch. How this vouch will be allocated will be based on a discussion and blind vote for each candidate. Once all vouches are made a discussion for and review of applicants between the 10% line and the total number on committee line and vouches will be made to determine the final list of committee members. A discussion about the application, interview and personal knowledge of the applicant, and then blind vote will determine whether the candidate makes the final list.
- Notes about cuts for interview and final committee: Due to the ambiguity mentioned above concerning the impossibility to assign an equally weighted number to the application and interview there must be a system in place to “catch” the applicants that have the talents for the position but either an app was incorrectly graded or the interviewee was not having a good day. This system to “catch” applicants is based on these factors and characteristics that determine a good committee member.
- Characteristics:
- 1. Whole---hearted
 - 2. Passionate
 - 3. Hard---Working
 - 4. Wisdom
 - 5. Courage
 - 6. Creative
 - 7. Synergetic
 - 8. Communicative
- Abilities:
- Be able to lead staff on job checks
 - Connect well with residents
 - Be able to hold peers accountable
 - Have a hunger to take on responsibility. It must also be considered that the acquaintance an individual may have with an applicant should be a factor to consider if the characteristics of the individual are vouched by that member. The process for vouching is mentioned above.

Notes for differences between committee and staff processes:

- Everything is electronic and interview signups/notifications are through email and Google Docs.
- There are only two execs in each interview
- Skills such as video, website design will not be taken into account for the staff process.
- Interviews go from 8am to 6:15pm
- Staff Assistant app
- Application is open to anyone without need to attend an informational, although recommended.

Other notes: The characteristics and application process will be determined on our website for reference and the anti discrimination policy will be on each application. If there are any other characteristics/needed skills that will be determined and weighted in the selection of a committee member these will be clearly laid forth on our website before the application is released.

CARPOOL-

COSGA-

Conference on Student Government Associations (COSGA) Admissions Procedures

1. Anyone interested in applying for either a position as a COSGA committee member or a COSGA host must submit a typed application on or before the application deadline. Application deadlines will vary every year, but can be found both on the application and the COSGA website: cosga.tamu.edu.
2. The Director and Assistant Director will remove the initial cover page and scan every application for any identifying factors within it, such as a name, or reference that gives a clear indication of who the applicant is. Each application will be reviewed independently by two members of the COSGA Executive Staff. Those reviewing the applications will not know the identities of the applicants whose applications they are evaluating. Neither the Director nor the Assistant Director will review any applications for the intent of evaluating them for admission to

the organization. Additionally, neither the Director nor Assistant Director will interview any applicants.

3. Every student who applies for COSGA will receive an interview; students must sign up for their interview time upon submission of their application. COSGA reserves the right to automatically reject any applicant who does not appear for their designated interview time. Each applicant will be interviewed by two members of the Executive Staff with whom they do not have a previous relationship, personal or otherwise.

4. Students' applications and interviews will then be evaluated based upon a criterion established by the COSGA Executive Staff. This criterion will vary, as it is determined by every year by each independent Executive Staff. In general however, the criterion is set to help determine if the applicant will be a productive member of the organization and will make a beneficial addition to COSGA. Past experience in student government is not a requirement.

5. Students that have been a member of COSGA in the past are not automatically guaranteed readmission.

6. Based upon their evaluations, students will be selected for admission into COSGA, and sorted into their respective sub-committees. Committee member applicants who are not offered admission are free to reapply for the Host position.

EIC-

EIC has no special admissions processes/interviews etc.

Fish Aides-

GLC-

The application process has two phases, a written application and an interview for selected applicants. The written application deadline is typically a week after FLO applications are due. However this year we are pushing the application deadline back another week in hopes of having more freshmen apply. The written application consists of four questions selected by our delegates coordinators. Applicants are instructed to turn in responses to these questions as well as a resume. The only means of identification on the responses and resume should be a UIN. A cover sheet with name and UIN is used to match applications and names for later on in the process. Until interviews applicants remain anonymous, solely being identified by their UINs. After the application closes all the responses are collected and the entire GLC staff meets together to read applications. Each application is read and scored by three staff members. This year our delegates coordinators will be briefing the staff on what exactly we are looking for in applications before application reading begins. This is to ensure a uniformity in our grading. Then as many of the top scoring applicants as possible are given interviews in a three day span. Either the assistant director or director and one of the delegates coordinators is present for every interview. Two other staff members are present as well as the GLC advisor. Each applicant is asked four questions and individually given a score by the four staff members. This year the delegates coordinators will be creating a grading rubric to ensure uniformity as well as promotion of the GLC mission statement in the selection of our delegates. After all interviews are complete the delegates coordinators, director, and assistant director meet together to choose the delegates. The names are then matched with UINS to ensure an equal number of male and female delegates is chosen. Typically top 32 scores are chosen. This year we will leave a few of the last spots open for discussion. This will ensure that we have a organizationally diverse

delegate class. The only time resumes are considered is in this last part of the process to help us differentiate between candidates with similar scores. Then all people who have received interview receive letters of acceptance or regret.

GUIDE-

GUIDE has a two step application process for prospective members, we require:

1. A written application, which can be found online at guide.tamu.edu
2. An interview, all applicants are interviewed by 3 members of the GUIDE Executive Staff.

Selections are made once these two requirements are met

Muster-

1. Applicants are required to fill out an application to be considered for selection. The application requests information such as their name, class year, UIN, GPA, and general contact information. In addition, there are 3 essay questions which the applicant must answer.
2. Applicants are given 1 week to complete their application and they must have their applications turned in by September 6th at 5:00 pm. Applicants are asked to provide only the last 4 digits of their UIN on their submitted essays so grading in the applications can be unbiased and equal for everyone. *
3. Once all the applications are submitted, the Chair then assigns random numbers to each application so when the Executive Staff is reading and scoring the applications they can remain unbiased.
4. After the applications are numbered, the entire Executive Staff and the Chair read each application and provide a score of 0-10 based on a rubric grading scale provided and based on discussions the Executive staff, Chair, and Advisor have about what they are looking for in an applicant.
5. Once all the applications have been read and scored the Chair then compiles all the scores and averages each applicants score. Generally the Muster Committee will interview double the number of applicants needed for selection.
6. If an applicant is selected for an interview, a list is posted at 8am on September 9th with the applicants name. The applicant is then requested to sign up for an interview time from September 9-September 13. *
7. The interview consists of 5 questions with pre-selected categories and questions. The interview is given a score between 0-20.
8. After all interviews have been completed the Chair compiles the average of the applicants interview and average of the applicants essay, and the number of applicants needed are selected. The Chair then presents this list to the Executive Staff and Advisor for review. If there are any doubts about the applicants chosen, the candidate is discussed and a decision is made. In the event an applicant is removed from the list, the next highest ranking applicant is chosen.
9. After the list is finalized, letters of acceptance and rejection are placed out for pick up on Monday, August 16th at 8am. *

Replant-

Replant has an open application system for its committee. We do have an online application, which can be found at replant.tamu.edu/joinreplant. We do interviews (sometimes group interviews) just to get to know the applicants. Everyone is accepted.

For the Executive Team, the chief-student leader (director) is selected first. A director application is sent to the entire committee, then the out-going director handles interviews and selection with the adviser. The new chief-student leader is then in charge of sending out Executive position applications, interviewing applicants, and selecting their team (with the adviser).

TAMC-

We do a fairly open application process. Anyone who wishes to be a member of TAMC can definitely apply, but we do use an application if for any reason we ever need to reject an applicant. With the twelfth can starting up, it is unsure how many members we will need, and/or have use for, so it is the first time we have really needed to possibly reject people. Although I do not see this happening in our near future, the procedure is in affect just in case. After the application and the payment of the dues, the applicant will become a member and will have to meet certain requirements as far as socials and events go in order to remain a member.

Tradition's Council-

Traditions Council's admissions process consists of two steps: a written application and an interview.

Applications will be made available online at the beginning of the Fall semester. Prospective members will need to complete and submit the application by the specified deadline to be considered for membership.

Traditions Council executives will review and score the applications using a rubric. The top-scoring applicants will be granted interviews. An interview list will be posted and prospective interviewees must sign up for an interview time to be considered for membership.

Traditions Council executives will conduct interviews with a minimum of two executives present for each interview. The interviews will be scored using a rubric and the interview score will be added to the application score.

Once all interview and application scores have been tallied, the Traditions Council executive team will review the top-scoring applicants and make membership decisions. Applicants will then pick up decision letters.
